## Tiny Robot

By Carmine & Benoît Charlat

20 March 2019  
22 x 22 cm  
8 double pages  
€ 12.90

from  
2 years  
old

AN INTERACTIVE BOOK  
NO BATTERIES REQUIRED!

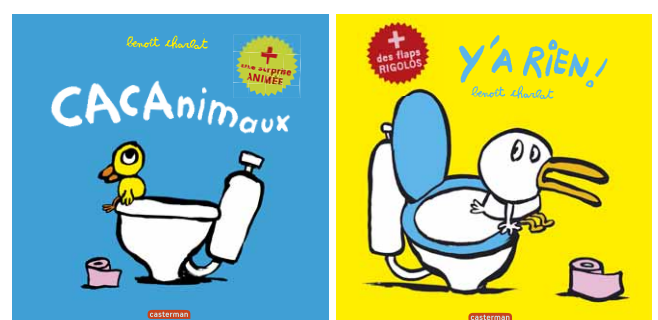

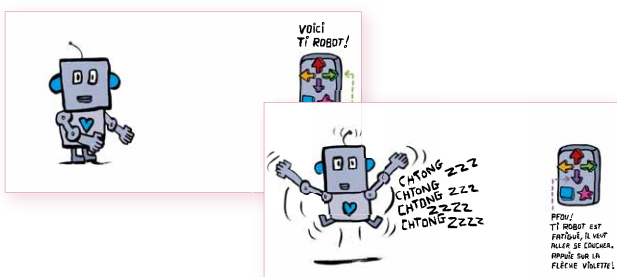

With the same rounded-corner-board-book format as all Benoît Charlat's books for Casterman, Tiny Robot is a battery-free remote control that uses a small dial – printed inside the book – to make Tiny Robot move forwards, travel backwards, leap up and go to sleep... 'Press the green arrow to move Tiny Robot forwards! Touch the square to stop him! Press the yellow arrow to send him backwards, backwards, backwards... Oh no! Tiny Robot has disappeared! Where could he have gone?'

With his uniquely stylised illustrations and ever accessible humour, Benoît Charlat brings us a hilarious book that makes children the stars of every page... Fun and laughter guaranteed!

old

**Nitpicking**

By Benoît Charlat

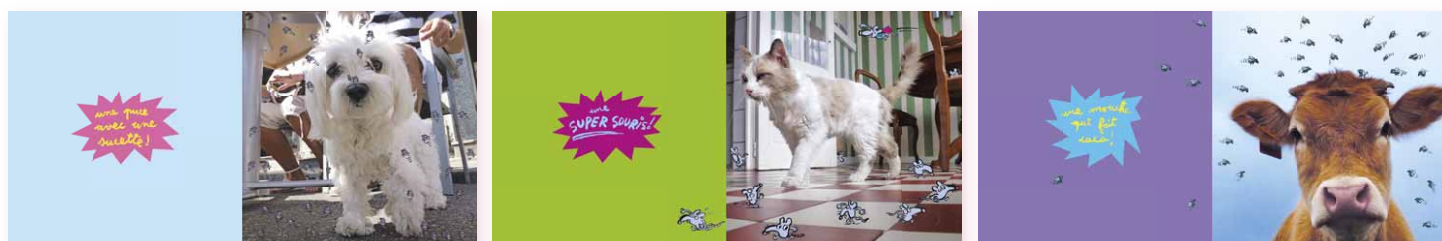

available  
22 x 22 cm  
10 double pages  
€ 12.90

From Benoît Charlat – the man behind Pooping Animals and Nothing's There – comes a delightful search-and-find book all about charming animals.

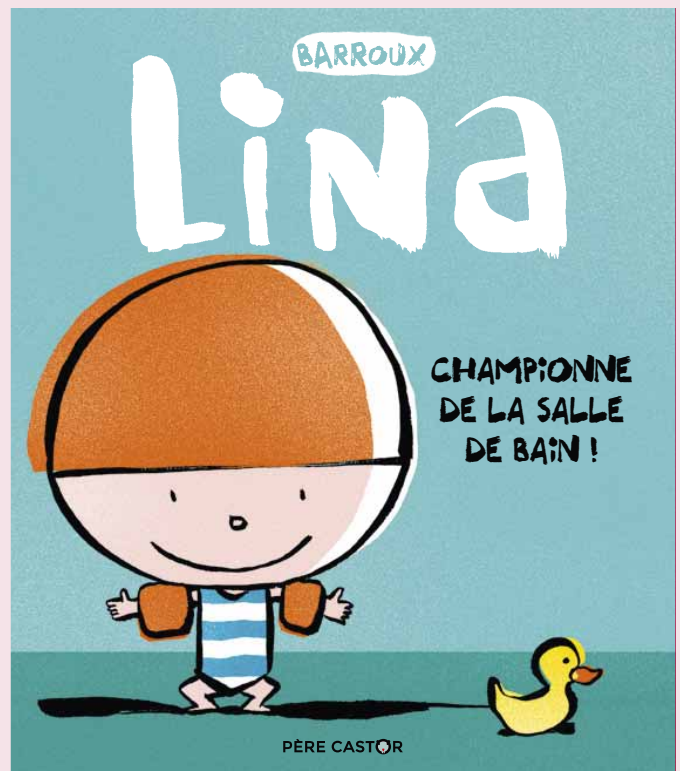

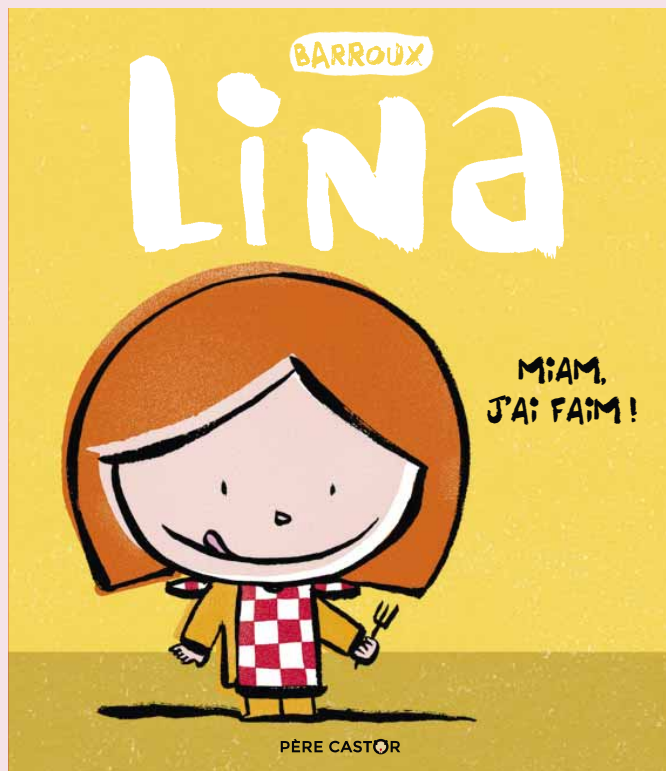

Readers are invited to look for a housefly blowing his nose dry, a mouse with an alter ego (a mighty superhero) and a flea going for a wee, as every page teems with insects of all kinds, each image busier than the last...

Mixing photographs and Benoît Charlat's distinctive illustrations, Nitpicking is an uproariously fun-filled and thoroughly modern book that's peppered with delightful details that will enchant readers of all ages – they'll keep coming back, even if they already know the contents by heart!

Lina is hungry. Really, really hungry. But she is having so much fun playing with her peas that she almost forgets to eat them!

**In the series so far:**  
Vol 1. - Where Is My Cuddly Toy?  
Vol 2. - I Am Not Tired!

It's bath time! In the tub, Lina imagines she is an athlete — darting around the water, diving, swimming and winning a gold medal. Whoops! Who turned the bathroom into a swimming pool?

**LINA IS A LITTLE GIRL WITH A BIG PERSONALITY — AND SHE INVITES US TO EXPLORE THE COLOURFUL WORLD SHE LIVES IN...**

casterman  
TODDLERS

**Sweetie Pie  
Vol 1. - Stop it!**

By Sibylle Delacroix

available  
19 x 22 cm  
48 pages  
€ 9.90

from  
3 years  
old

**A TODDLER'S FIRST  
COMIC BOOK...**

**'Go to sleep! Eat up! Smile! Be careful!'**

Every day, lovely little Sweetie Pie faces a barrage of instructions and commands, and although she obeys them, she's plucky enough to always do things her way...

Sweetie Pie is a picture book structured around a comic-book format that is itself inspired by children's cartoons. Featuring a life-embracing, emotionally rich and universally identifiable heroine, it's sure to keep adults and children alike gripped as they smile and laugh along with Sweetie Pie...

A book for young children to keep coming back to and for adults to re-read by themselves, Sweetie Pie is the perfect reminder that we were all children once – and it wasn't that long ago.

## Paillette and Lilicorne

### Vol 1. - Back to School

By Capucine Lewalle & Bérengère Delaporte

available  
18 x 18 cm  
32 pages  
€ 6.95

from  
3 years  
old

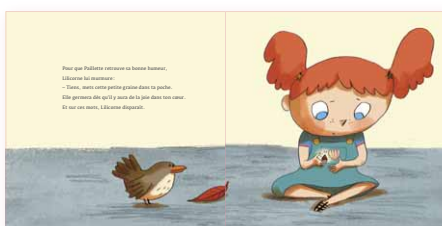

## Paillette and Lilicorne

### Vol 2. - The Birthday Party

By Capucine Lewalle & Bérengère Delaporte

available  
18 x 18 cm  
32 pages  
€ 6.95

NEW  
SERIES

**Paillette's wishful thinking and wild behaviour always gets the better of her. Thankfully, her pet unicorn is by her side, ready to help her out...**

#### Back to school.

It is the first day of the new school year, and Paillette is upset that the summer holidays are over. She has a few tricks to help liven things up, but her new teacher is not too keen on them... Thankfully, Lilicorne appears at the school gates, and slips a magic seed into Paillette's pocket...

#### The birthday party

Paillette is sad that she has not been invited to Grenadine's birthday party. Even her pet unicorn has been given an invitation! Paillette has an idea, though — what if she dyes her hair pink, so that it matches her unicorn's? Surely that will make Grenadine think she is amazing, and invite her to her party. When things do not go to plan, Lilicorne agrees to help Paillette, and casts a very special spell...

**TO COME IN FEBRUARY 2019:**

Vol 3. - The big miracle

Vol 4. - Sick in bed

## Tell it your own way series

By Sonia Chaine & Adrien Pichelin

available  
21 x 18 cm  
32 pages + bookmark  
€ 10.50

from  
4 years  
old

**VOL 5. TOM THUMB  
TO COME IN  
NOVEMBER 2019**

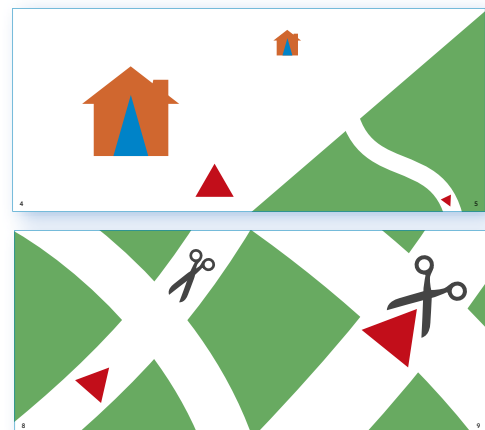

- A traditional fairytale in clear image form enabling the child to make their own story.
- A book which stimulates the imagination and encourages language development and oral expression.
- A snazzy bookmark to enable the use of pictograms throughout the story.
- You can follow a summary of the text using the bookmark thanks to the corresponding numbers to the pages of the story
- A fun and educational concept used in schools.

In this wordless version where the characters, places, and objects are pictograms, the reader can completely reinvent its own version of this famous tale. The meaning of each pictogram is clearly laid out on the bookmark.

Follow the summary on the bookmark with the numbers corresponding to the pages, to help you tell the tale, or invent a new story in your own words, it's completely up to you! You can add noises, descriptions of the surroundings, what the characters look like, what they think, what they do...

There is no limit to the imagination and telling this story in your own way, so that all characters are brought to life in a new imaginative way.

### In the series so far:

- Vol. 1 - Tell it your way... The Three Little Pigs
- Vol. 2 - Tell it your way... Little Red Riding Hood
- Vol. 3 - Puss in books
- Vol. 4 - Goldilocks and the three bears

32 pages  
€ 8.00

from  
4 years  
old

**'Whether we are big or small, our hearts all carry inside them a clothes chest full of emotions. They sleep within us, seed-like.'**

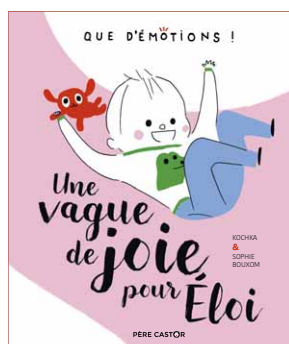

Stories about feelings for four- to six-year-olds, each including a double page of information for parents from the psychologist Louison Nielmann.

### In the series so far:

- Vol 1. - Garrett and the Bubble of Shyness
- Vol 2. - Nora and a Bowlful of Sadness
- Vol 3. - Chloe and the Winds of Panic
- Vol 4. - Eli and the Wave of Joy

### Upcoming title:

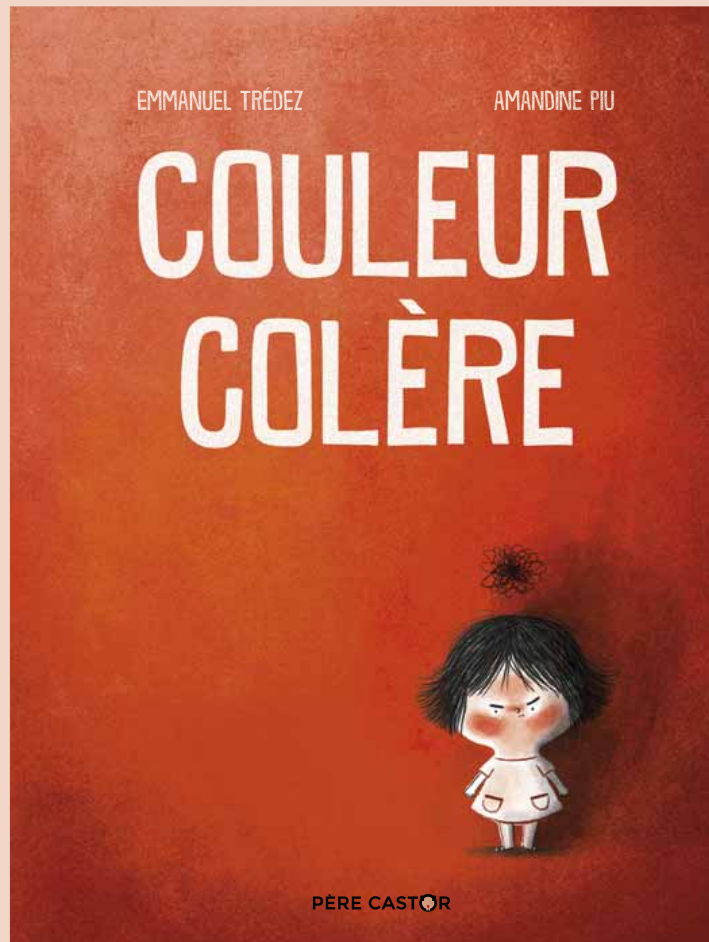

- Vol 6. - Archie and a spark of jealousy

from  
4 years  
old

available  
18 x 24 cm  
32 pages  
€ 12.00

### WHEN A LITTLE GIRL GETS ANGRY, WHAT GOES THROUGH HER HEAD?

A little girl does not want to eat her greens. Her eyes increasingly reflect her annoyance, flashing anger all around. From lobster red, her raging gaze turns black as thunder, as she destroys everything in her way... When she finally calms down, she apologises, and agrees to eat her green beans... Until next time, at least.

## PICTURE BOOKS

### Mina and Her Magic Crayons Vol 1. - The worst big bad wolf ever

By Fanny Joly & Christine Davenier

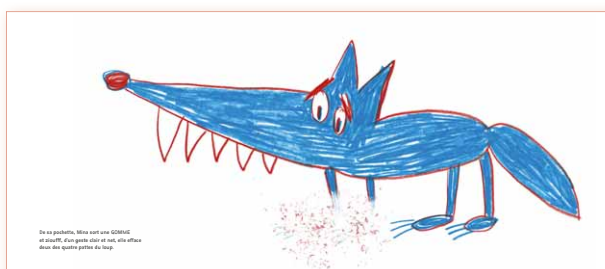

NEW  
SERIES

from  
3 years  
old

5 September 2018  
24 x 27.4 cm  
32 pages  
€ 12.90

The first volume in a series that follows the adventures of a little girl with a very powerful imagination...

Mina has a secret — everything she draws becomes real. Using her three magic crayons — blue, yellow and red — she never stops sketching, creating a sky full of strangely shaped clouds, a vast forest, a HUUUUUGE wicked wolf with an enormous appetite, and Zogio, a very cute baby bird. Mina has a secret weapon, too — a rubber, hidden in her pencil case.

Readers will love exploring Mina's world, with its comic playfulness, narrative inventiveness and touching subject matter.

Christine Davenier's childlike illustrations and Fanny Joly's keen sense of storytelling perfectly complement one another, coming together with stunning results.

## The Wolf of the Year Awards

By Géraldine Maincent & Roland Garrigue

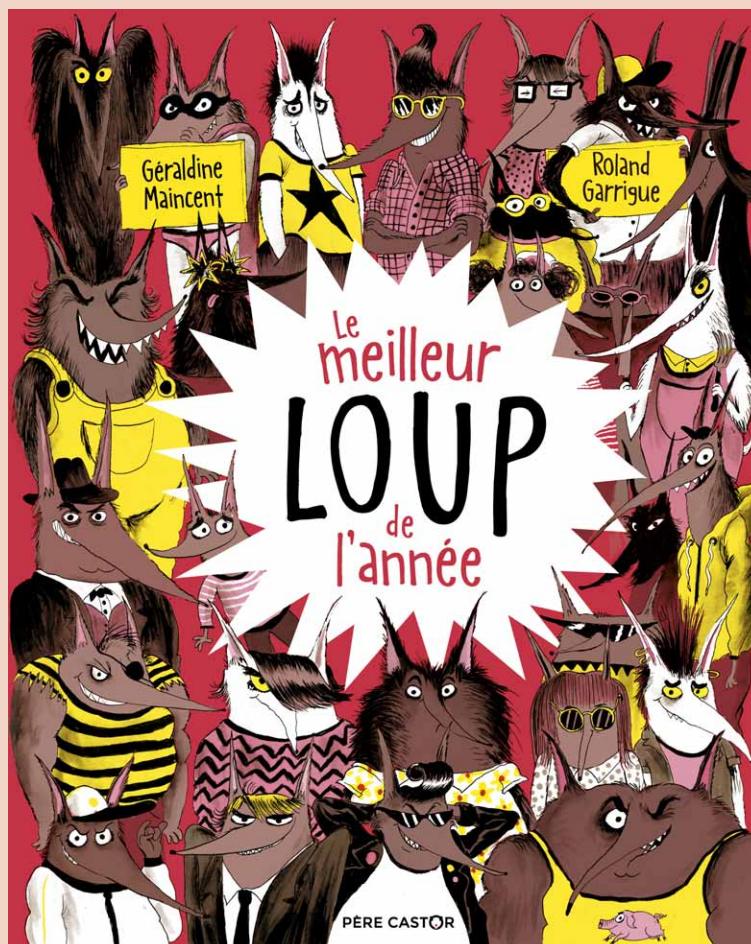

10 October 2018

24 x 30 cm

32 pages

€ 13.50

from  
4 years  
old

### Welcome to the annual Wolf of the Year Awards!

This evening, we celebrate the wolf of the year — the most terrifying wolf in the world. Some of the most renowned wolves from classic fairy tales are competing. Lies, injuries and disguises all count against the entrants, as the elimination phase is well under way... When only a handful of competitors are left, one shy wolf stands up — and starts playing with a little girl. 'What a terrifying sight!' scream his fellow wolves... They have found their winner.

30 x 23.5 cm  
32 pages + CD  
€ 19.00

## PÈRE CASTOR PICTURE BOOKS

from  
5 years  
old

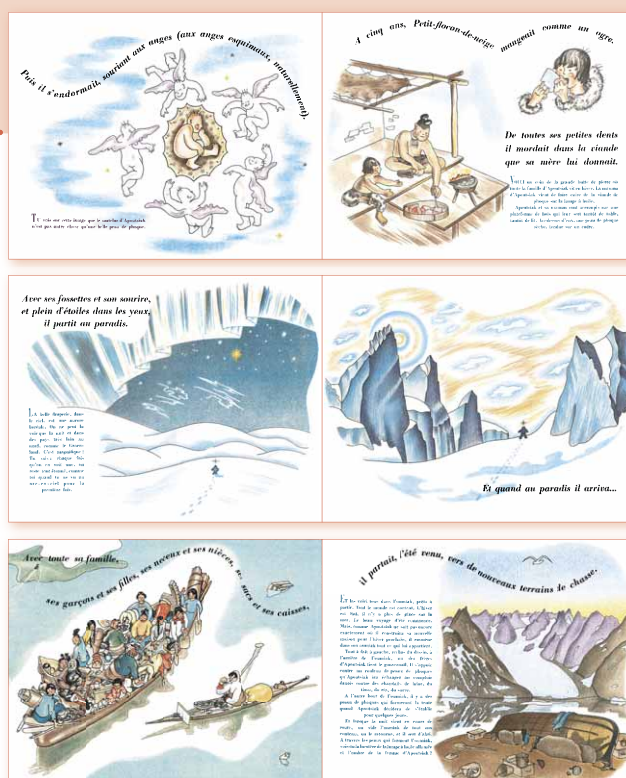

BOOK  
+  
CD

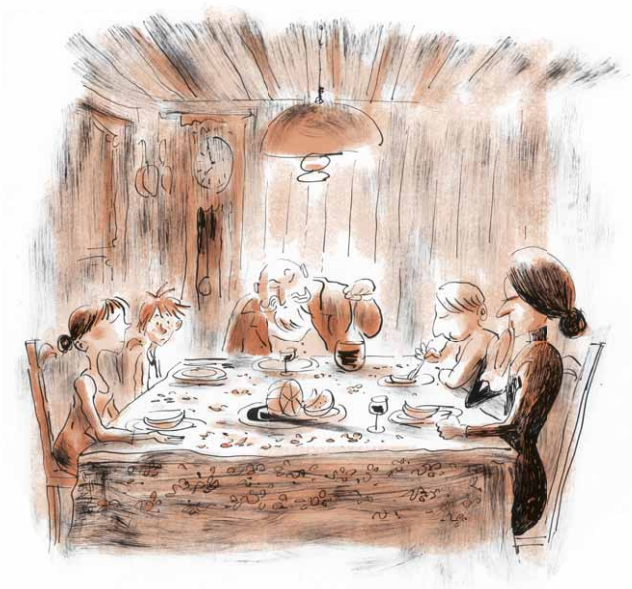

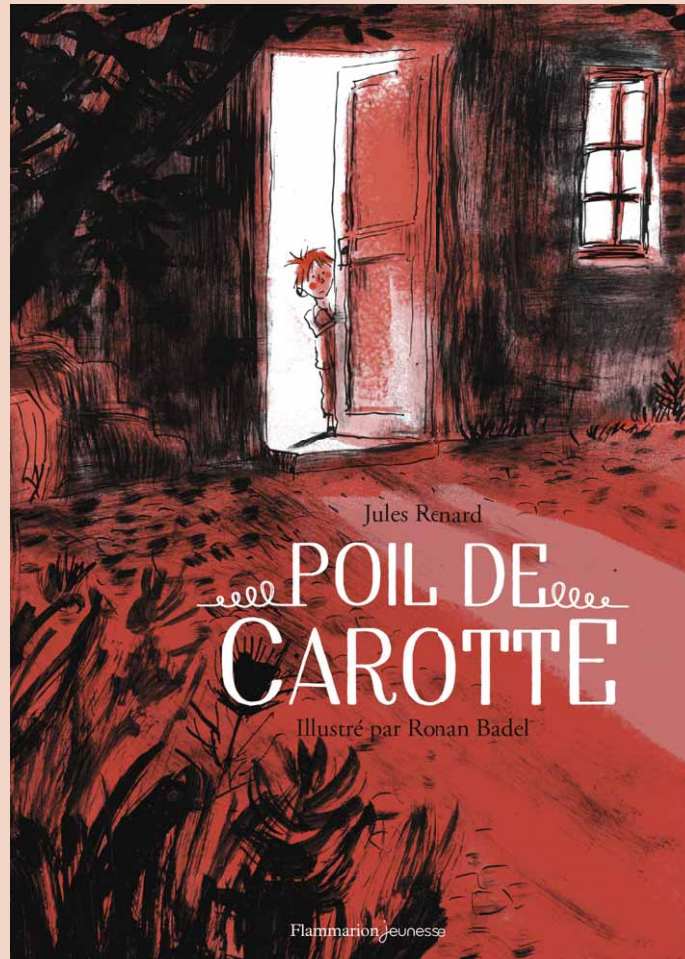

A collector's edition of one of the first titles in the Père Castor series.

Drawing on his experiences exploring Greenland, the ethnologist Paul-Émile Victor brings us the story of Apoutsiak the Inuit, whose name means 'Little Snowflake'. The author describes Apoutsiak's day-to-day activities, his lifestyle, his traditions and his beliefs... As he gives us the opportunity to explore and immerse ourselves in another culture.

Bonus materials includes sketches and documents related to the creation of this beloved book, as well as a CD on which the author himself reads his story in the original French.

**Rediscover a modern classic, with artwork by one of the most talented illustrators of his generation.**

François is the youngest child in the Lepic family, but because of his ginger hair and red freckles, everybody calls him 'Carrot Top'... Unloved and constantly bearing the brunt of his family's scorn and disregard, he is forced to carry out the most unpleasant chores going. Thankfully, Carrot Top has a great sense of humour, and is determined not to let anybody get the better of him!

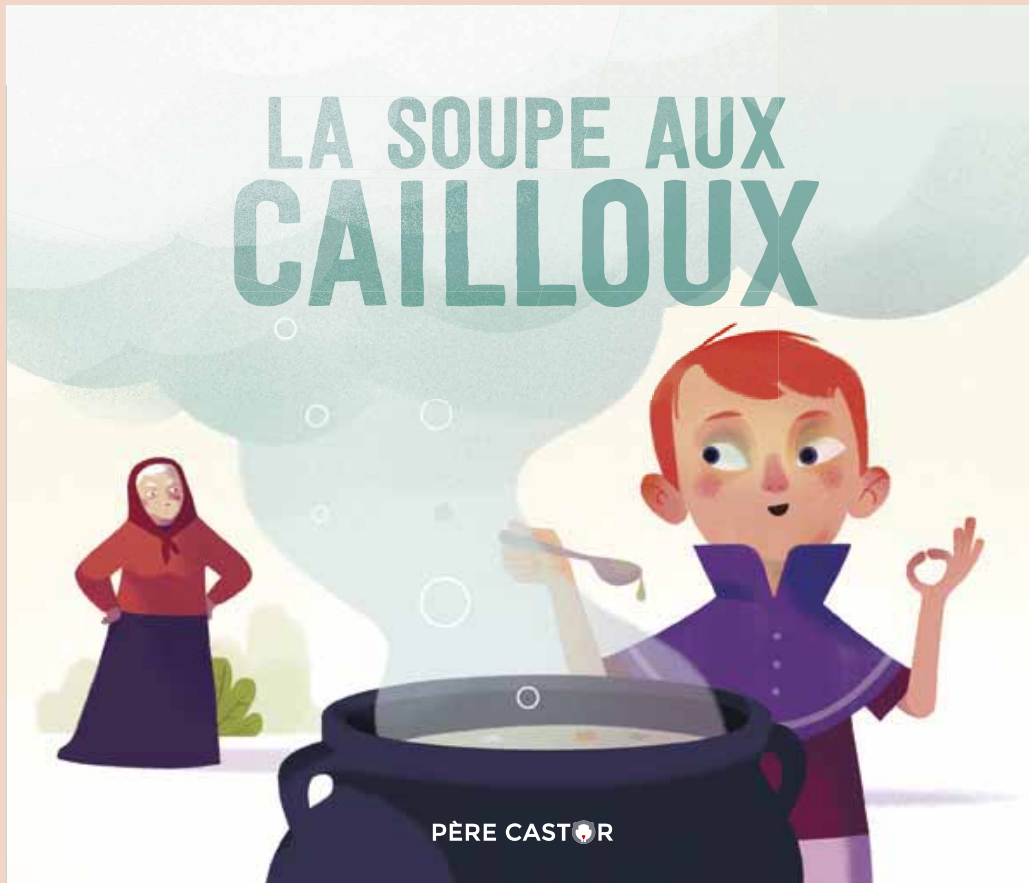

Père Castor Stories and Fairy Tales  
Stone Soup

### The Amazing Journeys of Mr Postmouse

By Marianne Dubuc

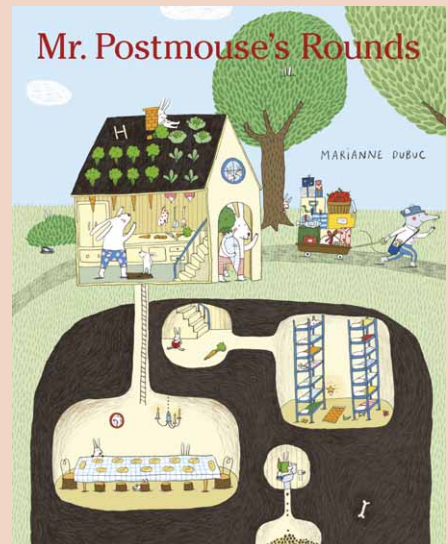

available  
24 x 30 cm  
32 pages  
€ 13.95

from  
3 years  
old

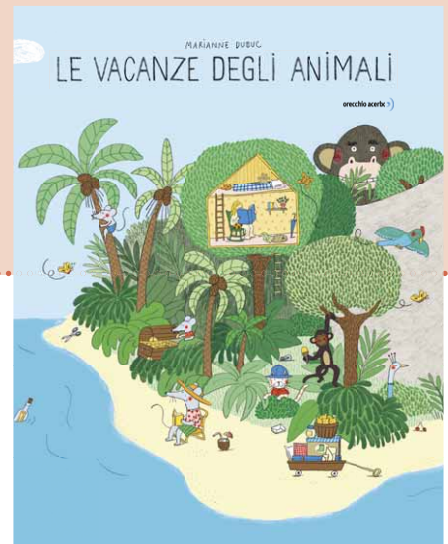

200,000  
COPIES SOLD INTO  
24 LANGUAGES

A stunning picture book that charts the progress of a journey through fantasy, with inventive and surprising twists along the way.

### Mr Postmouse's holidays

Award-winning author and illustrator Marianne Dubuc is a master at clever, specific details in her drawings to bring each fully imagined animal and dwelling to life on the page. Though more whimsical and tongue-in-cheek than true, this series of three books is loads of fun! With so much going on across every spread, children will love poring over the pages on their own, discovering something new every time. Children are also likely to be inspired to create their own made-up stories about what activities are going on in the book.

## PICTURE BOOKS

**Jack's garden**

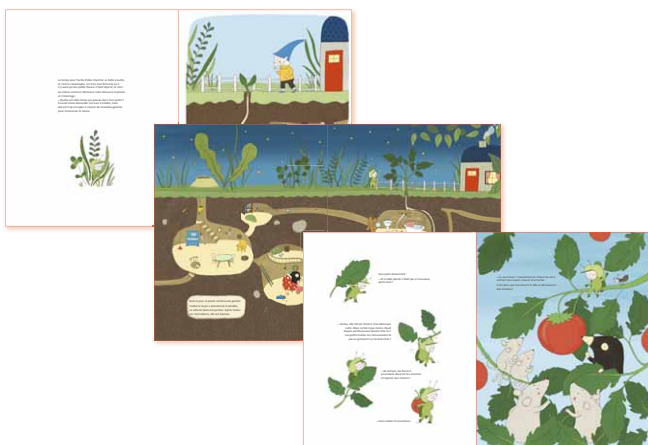

By Marianne Dubuc

from  
3 years  
old

available  
24 x 30 cm  
32 pages  
€ 13.95

**A look at the hilarious and unpredictable lives of a host of little garden creatures who become increasingly concerned when a mysterious seed appears – and that with each page, continues to grow...**

One morning, a seed suddenly and unexpectedly appears in the garden that Jack and his friends call home. The seed starts to grow, sprouting a stem, leaves, and roots... Yvette the mole, Colette the ant, and the Mole family are all convinced that the seed spells disaster. As its roots continue to spread, ceilings crack and paths become unwalkable, the inhabitants of the garden make a bold decision – they are going to cut the plant down! Thankfully, Jack intervenes – what if the plant is not that bad, after all?

Each new page invites the reader to study how a germinating seed transforms into a plant. All explored in Marianne Dubuc's rich and remarkable style!

## Ilyas and His Song

By Alex Cousseau & David Sala

from  
4 years  
old

10 October 2018  
30 x 30 cm  
32 pages  
€ 15.95

**A glorious voyage through words and pictures.  
A dream world of discovery and song...**

'Red is my name; red the colour of my skin. I am a donkey. In the saddlebag that I carry at my side is a snow-white envelope bearing fine, insect-leg-thin writing. It is a letter, addressed to the man who lives in the bear hut.'

So begins a journey that is also a song — Ilyas, the lonely musician to whom the letter has been sent, cannot read, so he sets off in search of someone who can help him. Along the way, he will make wonderful new friends and will receive an answer to his question — an answer that is not an answer at all, but an invitation...

THE FIRST TITLE

Being a newcomer is never easy — especially when you are a little different.

The dinos welcome a new pupil to their class — Bronto. Some of his classmates are uncomfortable with the exotic Bronto and the fact that he is much bigger than them, so they start to tease him. Thankfully, their friends are ready to remind them that we should always find out about other people before we make a judgement about them...

By Nadine Brun-Cosme & Ewen Blain

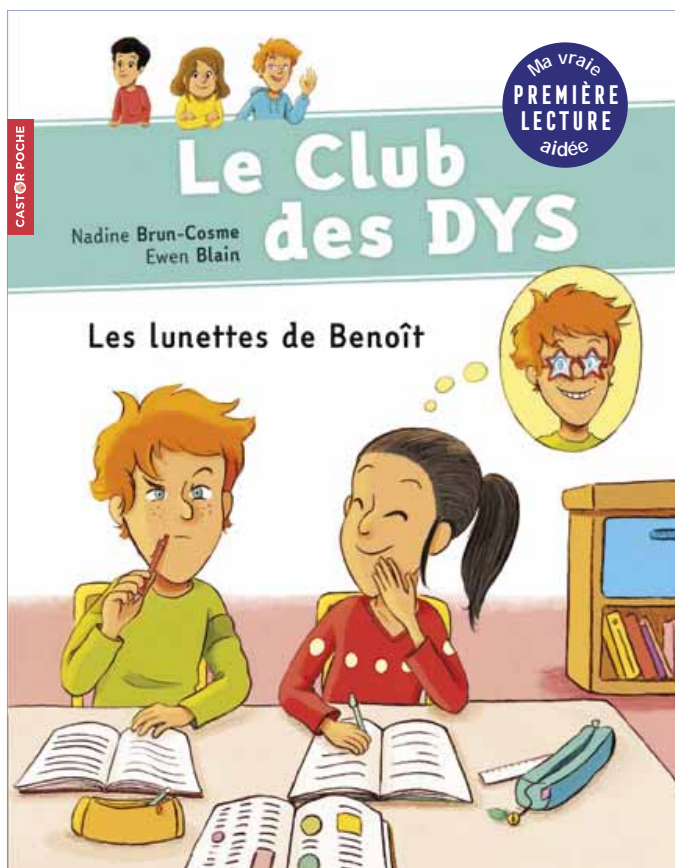

available  
15 x 19,5 cm  
48 pages  
€ 8.00

**Lou, Léon and Benoît are the three members of Team Dyslexia. This is the first volume of an accessible new series for early readers, specially written for children with dyslexia.**

Benoît is struggling to see the whiteboard at school. While he waits for his glasses to arrive, the teacher gets him to swap places with Lou, and sit next to Léon. Now four rows from the front, Lou begins to worry that the two boys have started having fun without her, and feels left out...

Vol 3. - Angel and the trampoline  
Vol 4. - Leon's uncle  
**to come out on 17 October 2018**

**NEW  
SERIES**

When he travels to the countryside to enjoy a holiday at his grandad's, Léon is keen to bring back a present for his friend Lou, who was not able to get away. He decides to catch her the most beautiful fish ever! His task proves more difficult than he is expecting, though, and he realises that he needs his grandad's help...

## Clém Investigates Vol. 12 - The Stable Thieves

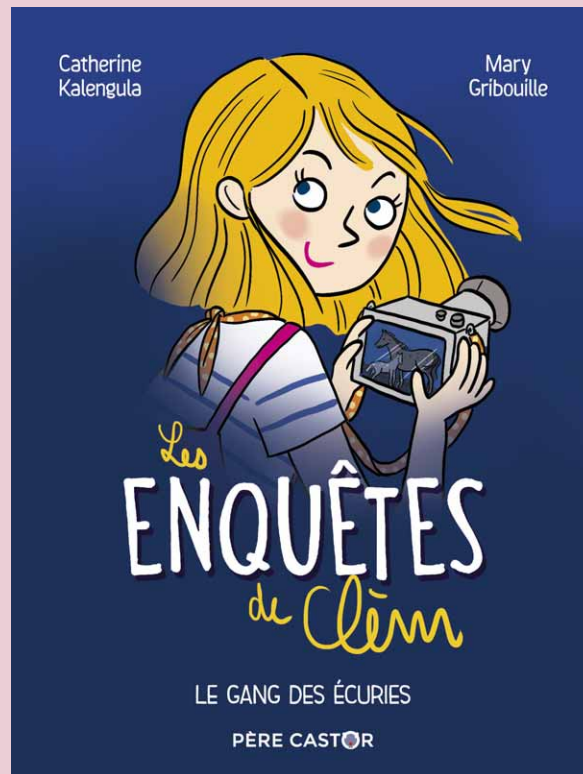

By Catherine Kalengula & Marie Gribouille

3 October 2018  
15 x 19.5 cm  
128 pages  
€ 9.50

**Who really is Mrs Walton? Clém and her cousins are on the case...**

The Neuilles' latest guest is Mrs Walton, and there is something a little strange about her — why is she lying to them about her identity? And what does she actually want? Keen to shed some light on the mystery, the children start an investigation...

**Clém and her cousins are on edge... An enigmatic group of thieves is terrorising the region — what could be going on?**

Just as the Neuilles' mare is ready to foal, the family hears about a mysterious gang that has been stealing local horses. What if one of the Neuilles' guests is involved? Clém and her cousins are on the case...

**A NEW SERIES THAT INTRODUCES READERS TO CLÉM  
A MODERN-DAY LOTTIE LIPTON  
AND HER INVESTIGATIONS...**

Clémentine is ten years old and about to start a new life. She and the entire Neuville family — uncles, aunts and cousins included — are moving to a small fishing village that they have turned into a bed-and-breakfast holiday retreat. Whether the family is helping to keep the facilities in order or leading a wide range of activities — from surfing to horse riding — there is plenty for everybody to do every day. And then there are the guests; constant new arrivals, each bringing new mysteries with them... Not to worry — Clémentine and her cousins are always happy to launch a new investigation!

128 pages  
€ 10.90

from  
8 years  
old

#### THE SECOND BOOK IN SOPHIE DIEUAIDE'S COLOURFUL NEW SERIES.

Zoé is eleven years old, she's 4'10" and she has long hair. In fact, it's exactly 57 cm long.

Lola is exactly the same... Or near enough.

It makes sense — Zoé and Lola are twins.

Lola has recently started behaving strangely. She has bought new clothes, changed her hairstyle, started spending much more time in front of the mirror, and has suddenly become a huge fan of a band she used to hate... Zoé is keen to investigate. She sets down her findings — and her evidence — in the twins' diary, until she comes to an unavoidable conclusion: 'my sister's in love'!

- A real-life secret diary — featuring Polaroids aplenty, masking-tape additions and beautiful illustrations
- Everyday themes that readers will identify with
- Sophie Dieuaide's distinctive style and humour (Mission Collège, Volume 1 — 11,000 copies sold — BW)
- Volume 1 — 250 copies sold in four days (source: GfK)

**Whenever she is confronted by a problem — no matter how small — Suzine falls silent. She shuts herself away, partly so that she no longer has to hear the outside world, but mainly so that nobody discovers her secret...**

Suzine is so shy that she never says what she is thinking — when her stepmum tells her off, or her best friends start arguing, or her dad asks her all about a particular boy, she closes in on herself. With her friends turned against her, Tom sending her messages and Miss Crampon encouraging her to open up, the time comes for Suzine to be strong, put an end to her silence and show everyone who she really is.

**A DEEPLY MOVING YET FUNNY  
NOVEL ABOUT INTERGENERATIONAL  
RELATIONSHIPS!**

**HOW DO YOU COME OUT OF YOUR SHELL AT  
SECONDARY SCHOOL WHEN YOU HAVE ALWAYS  
BEEN A LITTLE DIFFERENT, AND ARE  
STILL MOLLYCODDLED BY YOUR  
ANXIETY-RIDDEN MOTHER?**

**Spending Wednesday afternoons with Grandad is  
always an adventure!**

Simon's grandfather has Alzheimer's disease, and if his memory fails him, Simon says that he has 'popped out again'. When that happens, anything he sees prompts him to come up with incredible stories about pirates and detectives – much to his grandson's delight!

Leon is a quirky boy who lives in a world of his own; he has a deep love of animals and a heartfelt desire to make friends and stop being scared of everything.

When he bumps into the garish-lipstick-wearing, rather rebelliously dressed and decidedly outspoken Salomé in a school corridor, his life suddenly changes direction. Leon gains confidence, dares to stand up to the taunts of the older boys and braves breaking free from his mother's oppressive attentiveness.

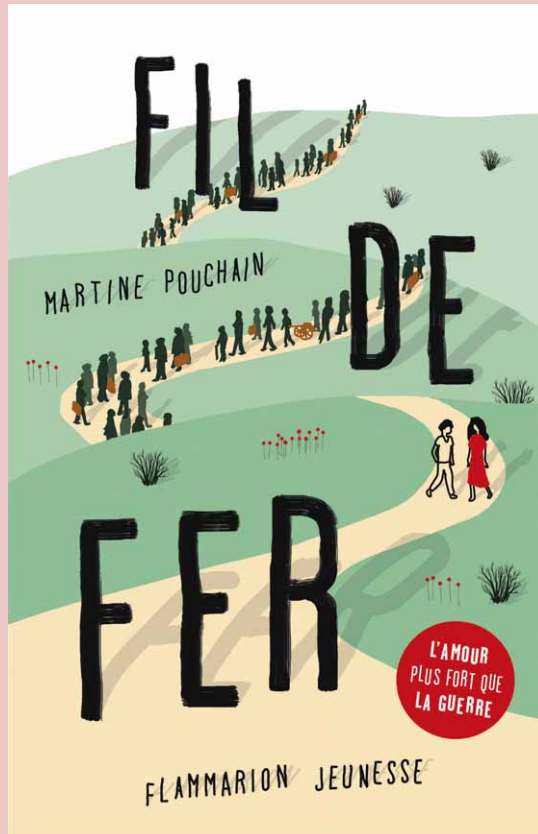

The people he is closest to soon start to worry about Salomé's influence on him...

5 September 2018

14.5 x 22 cm

€ 13.90

from  
12 years  
old

**A fascinating exploration of life in the 1960s, seen through the lens of a free-spirited teenager.**

It is 1966, and Catherine lives in a small rural town, leading a life that many young girls of her age know only too well — she helps her mother with her household chores, and every day makes the three-mile journey to secondary school by foot.

One day, as Catherine is scared by two boys who hassle her, she sets off as fast as she can and runs all the way to home. The experience is a revelation — it offers Catherine newfound speed, strength and freedom... Even though this is a time when running in the street is unthinkable, especially for women. Fuelled by a sense of injustice and galvanised by a radical young student, Catherine questions her values and firmly commits to a new set of ideals... Ensuring that she is able to live her life the way she chooses.

## Such a Small Little Bird

By Marie Pavlenko

**A beautiful  
story about  
how to rebuild  
ones life after  
a tragedy!**

**A very vivid and poetical style of writing. With great humour, Mary Pavlenko lightens this tragic situation. A book to find optimism even in the hardest of times!**

Abigail lost her arm in a car accident. That was a year ago. Her life has not been the same since — she no longer goes out of the house; she no longer sees her friends; she is no longer the same person.

One day, she bumps into Aurèle, a boy she used to know at secondary school. When he sees her arm, though, he stops smiling. His reaction is the same as everybody else's.

Gradually, Abi and Aurèle draw closer. Abi comes out of her shell, increasingly intrigued by Aurèle's passion for birds. Trapped in her own pain, Abi slowly opens up — until she and Aurèle travel to the foot of the cliffs, hoping to catch a glimpse of a flock of rare birds. Much to Abi's surprise, love also comes calling...

## The Archipelago

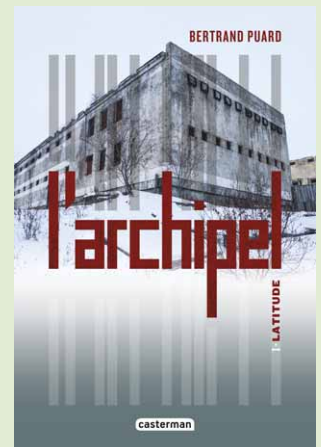

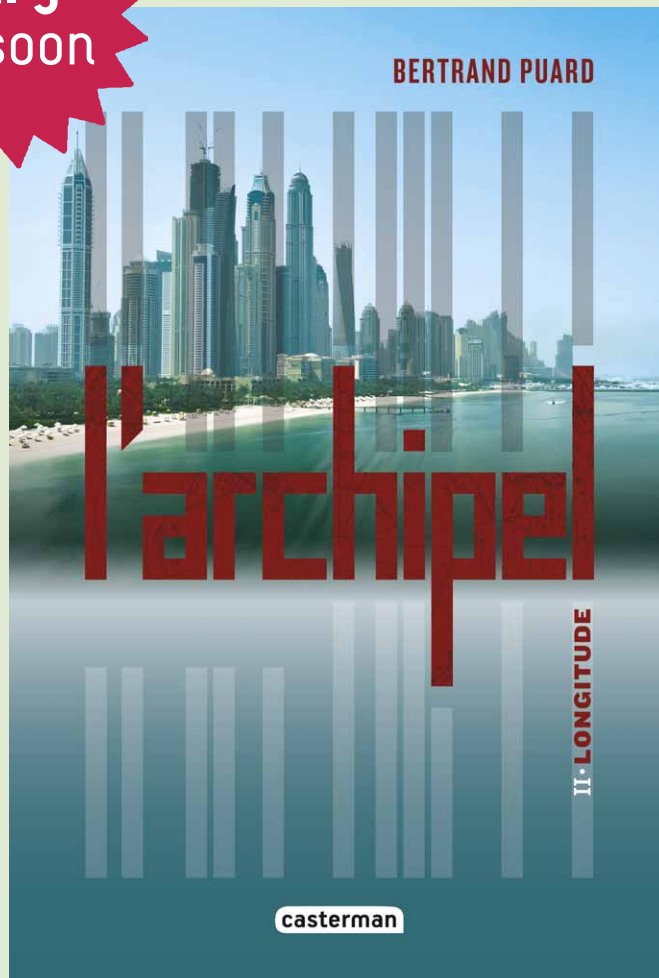

Vol. 1 & 2

By Bertrand Puard

from  
13 years  
old

available  
14.5 x 22 cm  
288 pages  
€ 16.00

Vol. 3  
out soon

**Bertrand Puard's latest trilogy takes the reader on an ultra-contemporary thrill ride through an international network of maximum-security secret locations.**

2019. Three islands somewhere in the Atlantic Ocean, a thousand miles from Antarctica. Freezing polar temperatures, an arid landscape and a chain of volcanoes that threaten to erupt at any moment.

Previously known as Southern Thule, this is the location where G8 leaders have chosen to join forces to create a series of impregnable maximum-security prisons. The world's most dangerous criminals are sent to live out the rest of their lives in these infernal conditions, joined by civilians with compromising secrets, people whom it is useful to keep at a distance...

This is the hell into which sixteen-year-old Yann Rodin, who steadfastly maintains his innocence, is thrown. He has found himself on the wrong end of a highly lucrative business venture masterminded by a former director of the Secret Services – an identity-switching operation. For a few million dollars, Anton Paulovitch, a powerful French-Russian arms trader whom Interpol are hunting, has bought his son Sacha, who looks exactly like Yann, a peaceful continued existence. While Yann is tried and sent to Thule for crimes he has never committed, Sacha adopts his former life, discovering what the simplicity and tranquillity of living on the Eden that is the Île de Porquerolles on France's Côte d'Azur – far removed from the violence and corrupt business practices of his father – really means.

### Vol 1. - The Gorilla on the Roof

By Vincent Villeminot & Yann Autret

available  
21 x 28 cm  
80 pages  
€ 14.95

from  
7 years  
old

**The first volume of an imaginative new series — packed with surreal fun!**

Abélard is moving house, but soon discovers that the new home that awaits him and his parents is not the castle tower he had in mind, but an enormous skyscraper. How disappointing! The daydreaming Abélard has only his imagination to help him pass the time... Until he meets his quick-witted neighbour Éloïse, who has made the entire building her playground — from the shadow-filled basement to the roof that soars high above them... And the roof is also home to her faithful friend Kong-Kong, who just happens to be a giant gorilla! Abélard must now find his place in this quirky friendship group...

**A CAREFULLY CRAFTED LAUGHTER-FUELLED ADVENTURE MADE UP OF ONE- TWO- AND THREE-PAGE EPISODES.**

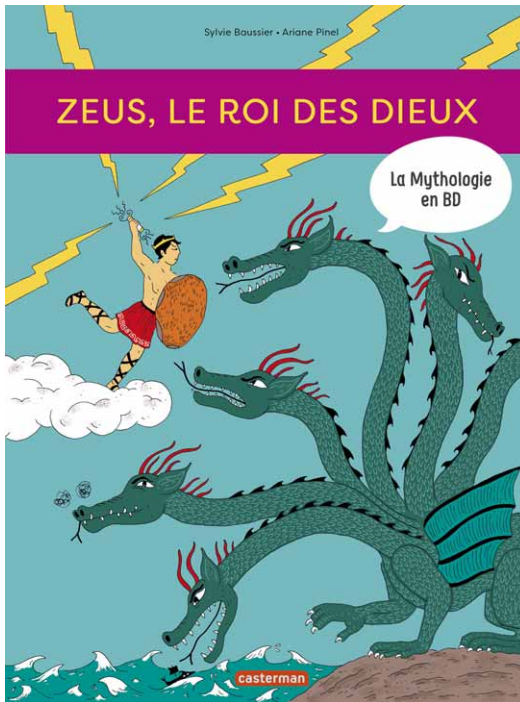

## MYTHOLOGY IN A GRAPHIC NOVEL FORMAT

Vol 10. - Zeus, the king of Gods

old

### The birth and the first fights of the master of Olympus!

Everyone has heard of Zeus, Poseidon, Athena or Hades ... but we know less about their story! Who are their parents? How did they become the undisputed masters of the world of the gods and men? Against whom they fought?

Largely inspired by the work of Hesiod, this title tells the origin of the world and the rise of Olympus's gods. Since the birth of Zeus until his marriage with Hera through his fighting against the Titans and the liberation of powerful cyclops, discover the episodes founders of an immortal legend.

## HISTORY IN A GRAPHIC NOVEL FORMAT

Vol 2. - Great Discoveries

By Dominique Joly & Emmanuel Olivier

29 August 2018  
19.8 x 26.5 cm  
48 pages  
€ 12.95

### A key time in world history

In the fifteenth century, European adventurers left their homes to conquer the world. The period marked the start of a series of extraordinary maritime journeys that took, among others, Portugal and Vasco de Gama to South Africa and, later, India and Spain, Christopher Columbus and Magellan to America. The era may have been a turning point in human history, but it also brought with it colonisation and violence towards native populations.

With its distinctive graphic novel format, Great Discoveries offers an accessible introduction to every aspect of this key historical period — from the political context in Europe to stories from the expeditions themselves, via an exploration of the conditions in which sailors worked at sea and under which indigenous people were enslaved.

COPIES SOLD  
OF THIS SERIES!

This exploration of the life of Claude Monet — from his childhood in Normandy and his early years as a painter to the relationships he built up with a host of innovative artists (including Bazille, Renoir and Manet) while he was still very young — also serves as an introduction to a turning point in art history. The artistic revolution the period brought with it saw artists becoming independent, exhibiting their work to bolster their reputations before selling it to survive, and heralded a time when painters came out of their workshops and onto the street or into the countryside, as big names clashed at Art galleries and exhibitions, and critics wielded the power to legitimise or destroy new styles.

### THE HISTORY OF HUMANKIND — AS YOU'VE NEVER HEARD IT BEFORE!

**What were prehistoric humans' lives like? Are we really descended from monkeys? What circumstances led to the emergence of 'Homo sapiens'?**

Through a series of fun-filled exchanges between a range of characters (a cliché-spouting storyteller, two children with lots of questions and a scientist who knows almost everything), Human Evolution uses a comic-book format to offer readers a chronological view of ancient human history and the history of our closest relatives, from the first monkeys to Neolithic man. It also explores how scientists' work in the field and in laboratories enables them to unpick the details of our past.

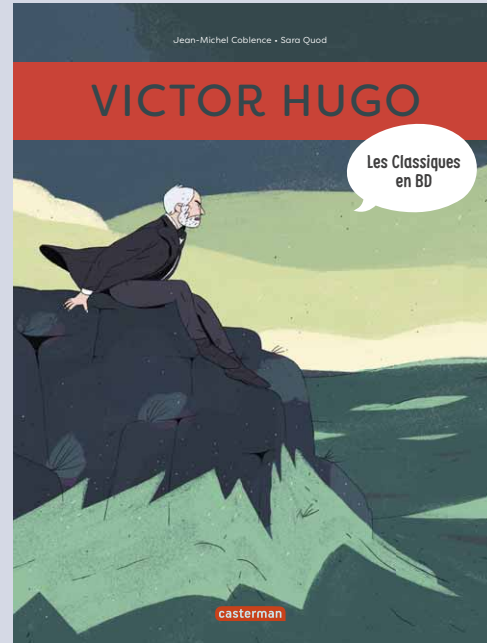

In the series so far:  
Vol 1. - The story of life

## CLASSIC STORIES IN A GRAPHIC NOVEL FORMAT

### Victor Hugo

By Jean-Michel Coblence & Sara Quod

7 November 2018  
19.8 x 26.5 cm  
64 pages  
€ 13.95

### Everything you ever wanted to know about Victor Hugo — in graphic novel format. From his birth to his death, via *Les Misérables* and *Contemplations*...

A romantic, a poet, a playwright and an illustrator... Victor Hugo was all of these things, as well as an orator, a politician and a staunch defender of the oppressed — he was a key figure in French history. Hugo's tumultuous life spanned the nineteenth century, which was marked in turn by both his literary output and his political commitments. Victor Hugo uses a comic-book format to retrace the author's journey to literary renown and provides an insight into his work through extracts from and summaries of his most famous stories.

In the series so far:  
Fables of La Fontaine  
The Knights of the Round Table

available  
20.5 x 25.5 cm  
64 pages  
€ 10.00

NEW  
SERIES

150 questions about the human body — from the essential to the downright weird!

Our bodies are wonderful machines, so complex that they allow us to do amazing things every day... If we consider the inner workings of the human body, a number of questions arise — why are some sets of twins identical and others not? Why is our wee yellow? Why do we get seasick?

150 questions about animals — from the essential to the downright weird!

Animals are fascinating things... And children have lots of questions about them. Who wouldn't want to know why beavers build dams, why flamingos are pink, or why snakes stick their tongues out?
